# ENGAGE

Our ReIMAGINE Worship Intensive is a five-day retreat during the beautiful fall colors of October in the foothills of the Appalachians. It's intentionally small for one-on-one attention, and it's exclusively for worship pastors and lead pastors.

The quality friendships you will form and the help you will receive for your ministry can return dividends to you and your church for years to come.

**RUSTY NELSON**

Rusty is founding pastor of one of the fastest growing churches in AL. He also recorded a worship project with Integrity's Hosanna.

Personalities are subject to change.
