How worship can change churches & countries

NEXT LEVEL WORSHIP INTERNATIONAL

A Biblical Foundation

OUR CONVICTION

When Isaiah saw the Lord high and lifted up, he was cleansed and changed. When Asaph met with the Lord it changed his entire perspective. (Isaiah 6 & Psalm 73)

People who get to know God through worship and fall in love with Him are transformed. And when people are changed, churches, communities and countries are also impacted.

GAZE ON HIM AND BE TRANSFORMED.

2 Corinthians 3:18

"WE WILL NEVER BE THE SAME..."

"Next Level Worship has had a tremendous effect on our churches and leaders in Zambia. We'll never be the same."

—Henry Muteneka, pastor

"The teaching, conferences and sponsorships of NLWI have taken me deeper and improved my leadership skills and understanding."

—Rabina Lungu, worship leader

A Biblical Mandate

OUR MISSION

Next Level Worship International is a non-profit, 501c3 organization. We serve churches and leaders and help Christians understand and experience true, biblical worship.

Our resources have been used in over 85 countries. We receive invitations almost weekly to come help pastors and churches who are in need of our ministry.

**"COME OVER
AND HELP US."**

Acts 16:9

A Wonderful Reward

OUR JOY

Next Level Worship is currently training worship leaders and pastors in 10 African and Asian countries.

Zambia has been our focus country for the past 4 years. There we have trained over 1000 church leaders, and we've helped hundreds of churches go deeper in their understanding of God-honoring worship.

**DECLARE HIS
GLORY AMONG
THE NATIONS.**

Psalm 96:3

LIKE RIPPLES
IN A POND...

PASSING
IT ALONG

Lucy is taking what she's learned from Next Level Worship and from her US sponsor, Suzanne, and she's sharing it with others. To date, she's trained over 2000 ladies and youth in Zambia, teaching them that lifestyle worship is loving God with your whole heart and loving others as yourself.

A Thorough Approach

OUR STRATEGY

To help make a lasting impact on churches, Next Level Worship has a 3-directional strategy.

1. We work through the local pastors to train their leaders so they can carry on the mission after we leave.
 2. We provide small group materials and devotionals to help congregations understand and experience worship.
 3. We provide children's church materials to teach kids that true worship is more than just singing. It's following and obeying God.

A Very Real Need

OUR CHALLENGE

The kind of impact we're seeing in Zambia and other areas requires a great investment of time and money.

We depend on generous volunteers who believe in our mission and vision to transform churches and communities through worship.

THE COST OF IMPACT

Printing materials for 30 kids in a children's church in Africa costs about \$30.

Providing small group and devotional materials for a congregation takes about \$150.

It can take \$300 or more to train a worship leader in theology, leadership and spiritual depth.

An international trip to lead conferences and intensive schools can cost from \$12,000 to \$20,000.

A young man with short dark hair and a light beard, wearing a bright blue t-shirt, is seated and looking off-camera to the left with a focused expression. He is holding a pink pen in his right hand. The background is a dimly lit room filled with other people, mostly men, who appear to be part of an audience or a workshop. The lighting is soft and focused on the man in the foreground, creating a sense of depth and concentration.
