ABOUT OUR MINISTRY

Next Level Worship International (NLWI) serves worship leaders and churches around the world.

Our materials and resources have been utilized in more than 80 countries. Thousands of Christians have been strengthened in their walks with God and hundreds have come to Christ.

Dwayne Moore is a best-selling author and widely respected influencer of biblical worship.

FROM OUR FOUNDER

Dwayne Moore has dedicated his life to helping people worship God.

"In 2015 God birthed in me a burden to help leaders and churches understand and experience true worship, regardless of their economic situation or geographic location. I founded Next Level Worship International as a means to fund this huge vision and need."

—Dwayne

We have a comprehensive approach to serving churches.

NLWI FOCUSES ON THREE MAJOR AREAS

RESOURCES & CHURCH CONFERENCES

We've written several books and materials, and we lead conferences in the US & abroad.

LEADERSHIP MENTORING & SUPPORT

We've trained over 2000 worship leaders & pastors through conferences & online coaching.

MISSIONS & OVERSEAS SPONSORSHIPS

We sponsor hundreds of worship leaders & lead training events in many third-world countries.

"NO ONE LEFT BEHIND"

Here is what we need over the next 2 years...

Scholarships

Our goal is to mentor 200 worship leaders over the next 2 years. A scholarship fund would allow us to help them all to participate long-term.

Missions

In addition to the countries we are already serving, we have invitations to come & help in several more, but we need the funds to go.

Resources

We don't want any churches to be unable to get our resources because of cost. Thus, we need donors to help with printing & distribution.

FROM OUR FRIENDS

Powerful endorsements from
influential leaders...

"I so appreciate Dwayne's desire to take
worship-leading to a deeper level..."
Laura Story, Grammy award-winning artist

"Dwayne Moore has a desire to see the body of
Christ truly understand what it means to honor
God with our worship."
Mark Hall, lead singer of Casting Crowns

"If your church's worship is on autopilot, this
will inspire new passion and understanding."

WHO WE ARE

More than anything, NLWI is a discipleship ministry helping people to love God and others.

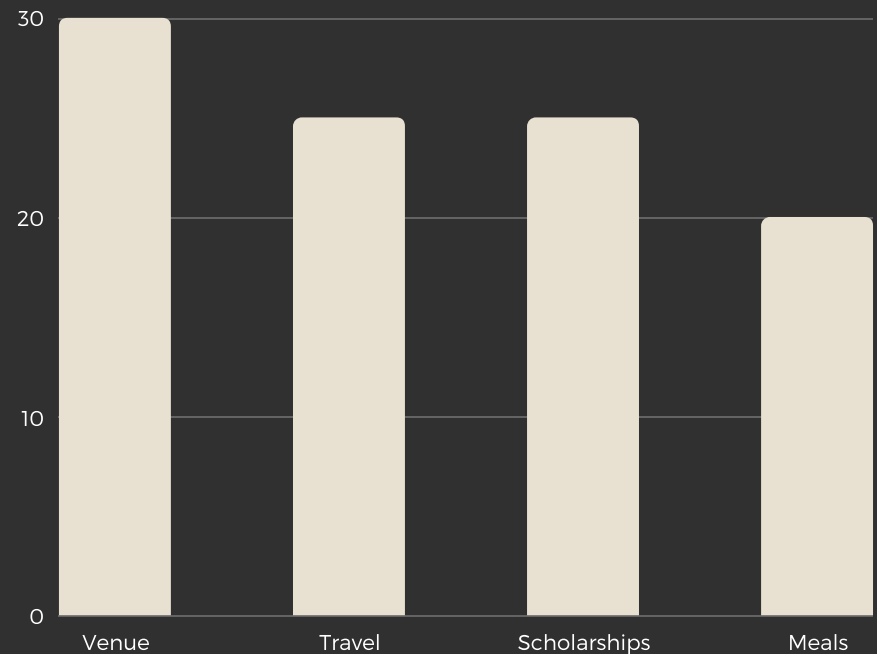

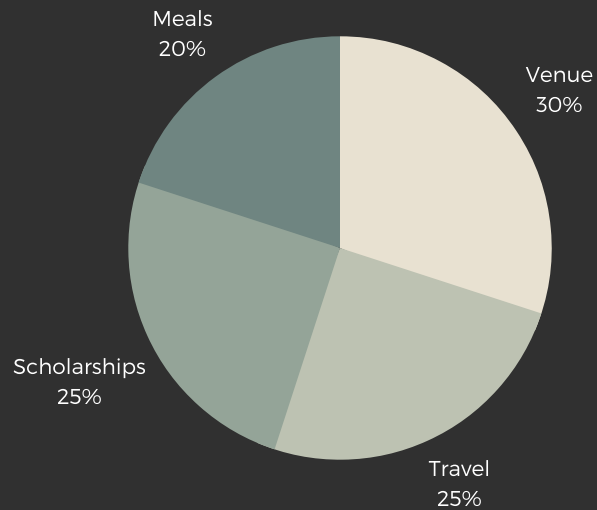

We believe real worship starts on the inside and flows out of us from hearts that love Him. True worship transforms us and gives us a burden to share Christ with those who don't know Him. That's why our message is impacting churches, families and communities.
