worship conference

Powell Wyoming
August 15-16 2025

Copyright 2021 NLW International, Inc.

welcome!

You made it! Thank you for joining us today. You already won because you broke the normal routine, and that is when great things can happen.

As you get settled in, I encourage you to take a deep breath and ask God to speak to you today. Events like this are great to attend, but I encourage you to do more than just “attend”. I encourage you to open yourself up to what God has to say and truly make the most of what is being offered today.

We know the pressure of coming to a conference and hearing new concepts and ideas. We invite you to drop that burden and simply look at One Thing. If you can take one thing home today it can multiply a positive reaction. So don't change the world, just focus on the “One Thing”.

Thank you again for being here and thank you for all that you do in your ministry. May God continue to bless you as you continue to serve Him.
